## Weekend Fare Information

Metra operates on a fare zone structure, with distance-based fares. Metra also offers a \$10 Weekend Pass, which is good on all Metra trips on Saturday and Sunday of the same weekend, regardless of fare zone or line traveled. Weekend Passes and one-way fares can be purchased in cash onboard the train from a conductor, or on the Ventra app using debit, credit, or transit value. Onboard cash fares may incur a \$5 penalty if purchased when a ticket agent was on-duty at the time of boarding (generally only applicable at Aurora and Union Station).

Effective June 1, monthly tickets include Weekend Passes regardless of the zone pair shown on the ticket. Monthly ticket holders should show their paper monthly ticket, or launch the QR code on their Ventra digital ticket.

## Planning Your Train Crawl

A train crawl is a great way to get out and explore the suburbs in a fun, relaxed setting. A little foresight and planning will go a long way to ensuring you and your group have a great day riding the rails. This travel guide is specially designed to help you schedule your crawl so you can get the most out of your event.

First and foremost, plan a "home base" station to start and end from. This way you and your guests can more easily plan ahead to determine the logistics of how to get home at the end of the night.

Next, determine what kinds of places you'd like to stop at and how long you'd like to spend at each location. The Yard Social Club recommends low-key, more casual establishments where guests will feel comfortable walking around and mingling. We recommend scheduling around the "sweet spot" of 60-90 minutes per location, but obviously the train schedule will require some flexibility. Don't forget to include time to get back to the station before the next train comes, including additional time to cross the tracks if needed. On the BNSF Railway, inbound trains usually run on the south track and outbound trains usually run on the north track. Build some flexibility in your schedule in case unforeseen delays occur, either due to your group, or slight delays on Metra's end.

## Riding the Train

When you get to your first station, check and see if a station agent is on duty. If so, head into the station to purchase your tickets. If there is no station agent on duty, a conductor onboard the train will sell you one-way tickets or Weekend Passes if you're paying with cash. If you'd like to pay with a credit card, download the Ventra smartphone app and use the app to purchase your ticket. (Remember to keep your phone charged throughout the day – conductors will visually verify your ticket onboard later trains.) The Ventra app also gives live, real-time updates on train schedules throughout the day, which makes it a very useful application to refer to throughout the day.

On most weekends, Metra allows passengers over 21 to bring alcohol onboard the train. Please remember to clean up after yourselves – each train car has trash cans available. On some weekends, alcohol is prohibited due to large crowds. Check [metrarail.com](http://metrarail.com) before your event to see if alcohol is not allowed on your travel day. Remember to keep an eye on the clock, and enjoy your day exploring Chicago and the suburbs!

## Please drink responsibly

Plan ahead: take transit, call a cab, or designate a driver

The Yard Social Club strongly recommends using transit to get to and from your train crawl. Do not drink and drive.
