

Fare Information

Fares for all trains are available on the Ventra smartphone app, where riders can purchase all fare products using a debit/credit card or stored transit value on a linked Ventra card.

Downtown terminals and select suburban stations also have ticket agents, where one-way, 10-ride, and Day Passes can be purchased using either cash or debit/credit cards. Round Trip Plus and Weekend Passes are sold exclusively on the Ventra app.

Onboard trains, one-way and Day Pass tickets can be purchased from conductors using cash only. A surcharge may apply for tickets purchased from a conductor when boarding from a station with an on-duty ticket agent or ticket vending machine.
